

Dear Neighbor,

We can reduce pollution, traffic, wear and tear on our alley and streets, save gas, receive a discount, AND support a family owned, local business. See other side for more info. about (name of garbage hauler). We have been doing business with them for about 20 years. They do a great job!

We are proposing that every household on our alley sign up for service with (name of garbage hauler). Feel free to call them or us if you have any questions. Please let us know your decision by party time on Dec. 10<sup>th</sup>. You may call, email, stop by our house, or let us know when you come to our holiday party!

We hope you'll support this neighborly effort to make a difference on our block.
