

Organize for Fewer Garbage Trucks

- 1 Talk with some of your neighbors to see if they are interested in organizing for fewer garbage trucks on your block. Ask them if they have a garbage hauler to recommend.
- 2 Talk to haulers about conditions and discounts.
- 3 Choose a hauler that meets your criteria.
- 4 Make a flier to take to your neighbors.
- 5 Distribute fliers and talk with your neighbors about organizing for fewer garbage trucks.
- 6 Sign up neighbors who want to participate. Make a list of their names, addresses, and contact information to give to the hauler.
- 7 Contact your hauler once you have organized your block for hauling. Give your list with contact information to the hauler.

CELEBRATE with your neighbors!! You have done something to make a positive difference in your neighborhood.
