

Macalester-Groveland Community Council
BEAUTIFICATION COMMITTEE MINUTES
Monday, June 15, 2009 – 7:00 PM
Edgcumbe Rec Center

Committee Members In Attendance: Sharon Toscano, Liz Kane, Erin Roche, Cindy Syme, Nick Eftikides, Mary Davis.

Spring Plant Share/Fall Plant Share

Discussed having each morning share have a specifically designated pm share to get their leftover plants to. It was great to have names, addresses and phone numbers for all plant share hosts and will make next switch go smoothly at the Fall Plant Share. All leftovers after the afternoon share can go to Practical Goods on Randolph, who is willing to host again. Practical Goods will sell plants through the weekend.

Committee members discussed a few host locations but would like to see at least three morning and afternoon sites.

It seems most spring sites want to do a Fall Plant Share and then we have two more that wanted to be hosts next time (in the Fall).

Alley Garden Awards

The Banquet should be held on October 13th or 14th at 6:00 or 6:30 if possible. Same location as last year if possible. Potential speakers for the Banquet include Tom Ibsen, Dale Kaye, and Deb Brown. Consider placing information on the Awards and Banquet in The Illuminator.

The next meeting will be held on Monday, July 20th at 7:00PM at Edgcumbe Rec Center
